Straps

STRAPS Are Better Than Ropes

Anatomy of The Whitewater Designs

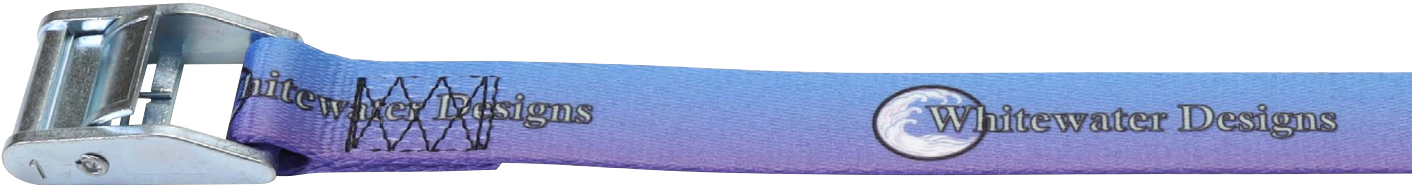

The **Original** stamped buckle makes it easy to quickly see which length strap you are grabbing.

Triple-Box-X sewing pattern is even stronger than the webbing or buckle!

Polypro webbing rated at 800 pounds
Nylon webbing rated at 3200 pounds

Logo Tag - Your straps are manufactured right here in the U.S.A.

All straps now available with three different types of buckles. See Optional Buckles for details.

CUSTOM WEBBING PROGRAM - PUT YOUR COMPANIES NAME OR LOGO ON YOUR STRAPS OR OTHER GOODS

Available in 1" black/gold jacquard weaved polypropylene or our new 1" FULL COLOR fully sublimated polyester webbing. Use your full color logo, tagline or photo – the sky is the limit! The sublimated webbing is also available double sided, with completely different prints on each side.

Minimums: 6000ft on the black/gold jacquard. 500ft on the full color sublimated webbing.

Pricing: Please call for pricing but the sublimated webbing is significantly more expensive.

Use Case: If the sublimated webbing is more expensive, how is it worth it? There are lots of uses for webbing that aren't 15ft straps. Use these for the handle on a throw rope, make your logo small on one side to be used as a tag, attach your logo to a duffel bag, foot cup or perimeter line on a raft. Or subsidize the price of the straps and have the coolest around! Don't advertise for your competitor, show your customer's paddling companions exactly where they bought their gear with a full HD color print.

SUBLIMATED WEBBING STRAP

CWO

Put your companies logo, tagline or mascot in FULL HD COLOR on our 1" Sublimated Polyester Webbing. Call for more details.

PROflap Rescue Bags

Wedge shape to fit under PFDs.
2 easy-break d-rings for easy
and safe mounting to just about
anything.

For emergencies on the water, every raft, kayak and canoe should be supplied with a rescue bag. Whitewater Designs rescue bags are available in 3 styles.

Available in two rope types - both yellow with red for high visibility on the water.

- Polypro rope: 5/16" 765# 7/16" 1440#
- Spectra rope: 1/4" 2500# 3/8" 4500#

ALL RESCUE BAGS MUST BE REPACKED BEFORE USE!

PROflap RESCUE BAGS

Harnessing the collective wisdom of swiftwater rescue experts, we've designed our PROflap Rescue Bags from inception. Each detail meticulously considered, our flap design not only facilitates easy stuffing but also integrates the roll top, accommodating extras such as prussics, carabiners, and pulleys. This reduces hardware and clutter, mitigating potential tripping hazards. The incorporation of a specialized mesh not only augments grip during throws but also expedites drying. Our high contrast rope tips allows you to find the end in a variety of situations.

Embracing our Oregonian heritage, we've curated names inspired by our cherished rivers, and colors influenced by our alma maters. What's more, the PROflap family effortlessly affixes onto our exclusive Rescue Belt accessory, culminating in an unstoppable combination for the discerning rescue professional or enthusiast. A special thank you to Marcel Bieg, Eugene Outdoor Program Supervisor.

UPDATED PROflap RESCUE BELT

The PROflap Rescue Belt allows you to conveniently mount your PROflap Rescue Bag (sold separately) around your waist for quick/easy access and deployment. You simply weave the retention strap through the loops on the bag and belt to securely fasten the bag to the harness and put the belt harness around your waist. Use the 1" leverlock to easily unlock the bag and pull off the harness to easily throw at your target. The waistband also includes a leverlock to quickly remove bag from your body if needed.

Footcups & Braces

THE ORIGINAL CLOSED TOE & REINFORCED RAFTERS' FOOTCUP

CWO

When using footcups, rowers get more pulling leverage and stability to exert power through each stroke. Closed end makes it impossible for a foot to slip through. The boot is stitched to the bottom material. Reinforced at the corners and with 1" poly webbing around the base and 1.5" webbing over the arch.

Hypalon footcups have a color top and black bottom: gray/black, light gray/black, blue/black, red/black, white/black, yellow/black and black/black.

Vinyl footcups are same color top and bottom: gray, blue, black, yellow, and red.

Item	Description	Retail
440	Hypalon Footcup	39.95
445	Vinyl Footcup	25.95

A commitment to quality, innovation and our employees. Embark on a journey with us against the current of keeping production local.

With a love and passion for the outdoors, paddling and craftsmanship, an idea to provide quality and affordable paddling gear was formed. Starting with a simple foot cup and d ring for canoes, Ken Rodgers started Whitewater Designs in his garage four decades ago.

As we continue to push boundaries, explore waterways and empower our community; let us help find what moves you. Dive into our catalog today and let our obsession for paddle sports and commitment to innovation inspire your next adventure.

Bags & Storage

FULL SEND THWART BAG **CWO** **CCP**

Organize your gear effortlessly on your raft's thwart with our versatile Full Send Thwart Bag! Designed with novices AND pros in mind, this bag comes equipped with handles for stability when fully sending a rapid. When you're ready to take your essentials ashore, the straps convert seamlessly into backpack straps, ready to "send" your items with you.

Crafted with drainage-friendly mesh at the bottom, this bag keeps your items dry and secure. Plus, the incorporated webbing loops make mounting additional gear—such as our cup holder or a rescue bag—effortless, allowing you to customize your setup with ease. Get ready to elevate your paddling experience with this essential rafting companion!

Item	Description	Retail

312	3.5 Gal Bucket Strap	21.95

Bags & Storage

STRAP-ON STORAGE COMPARTMENTS CCP & COOLER COMPARTMENTS

The Strap-On Storage Compartments keep what you need close at hand. They have soft foam core walls that keep their shape even when empty. They are completely out of the way for rowing and when strapped tightly to the frame and can be opened with one hand if necessary. The bottoms are mesh for quick drainage. Sizes small 12" x 10" and large 24" x 10". Available in black, light gray, blue or red.

The Cooler Compartments keep your beverages cold. These compartments strap right on to frame for easy access to all your favorite cold beverages. These are just like our Storage Compartments with added foam on the Lid & Bottom for complete insulation.

Item	Description	Retail
467	Small 12" x 10"	59.95
468	Large 24" x 10"	66.95
464	Small Cooler 12" x 10"	73.95
465	Large Cooler 24" x 10"	85.95

TOP OPEN MESH DROP BOX CCP

The Top Open Mesh Drop Box lets you make use of that empty space under your seat. The top on either side of the seat has a zipper for easy access and security in case you have too much fun and flip over. Depending on the model, this bag drops right into a small, medium, or large opening with the flexibility to go in a slightly different size opening. See dimensions below.

499L	44" W x 38" front-to-back, 48" T	418.95
499XL	45" W x 57" front-to-back, 48" T	455.95

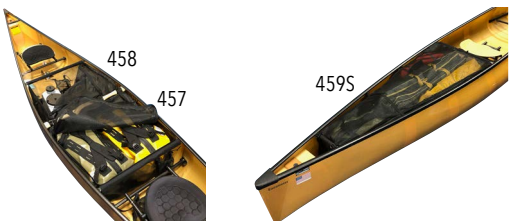

CANOE GEAR STORAGE BAGS CCP

Get on the water faster and safer with the Canoe Gear Storage Bag. Eliminates loose gear in the boat and makes rescue scenarios safer and easier. No more 'yard sale' of gear expelled into the water during a capsiz. Eliminates gear loosely tied to yokes and thwarts from presenting an ensnarement hazard and making a T-rescue impossible.

Bag zips open on three sides for maximum access. Secures to the thwart and yoke with additional securement available with the addition of a 110ssv D-rings in the bottom of the boat at each corner of the bag. Further securement available with pad eyes added to the gunwales of the canoe for maximum security with heavier payloads.

Item	Description	Retail

Cascade Series of Camping Supplies

MESH TOTE & UTILITY TOTE CWO CCP

Mesh Tote Bag: This bag takes your standard shopping tote to the next level. Heavy-duty mesh makes the bag exceptionally durable. It is also easy to see exactly what is in the bag, eliminating the need to dig around in the dark for the right piece of gear (or your keys).

Utility Tote with Pockets: This Utility Tote is a true workhorse. The flat bottom makes the tote free standing whether it is empty or loaded. Eight pockets on the outside give you plenty of space to keep your gear organized and accessible. Designed with wet boating gear in mind, you may be surprised at how many other uses you find for this tote.

496/L	Large 42" W x 24" L x 42" T	359.95

Oar Straps & Tethers

PANIC SNAP OAR TETHER

This isn't your standard Oar Tether. Protected bungee keeps the tether short and out of your way, but will stretch up to almost 2 times the relaxed length should you pin an oar. We've replaced the standard side release buckle with a metal panic snap. Even in the biggest water, your oar will not break free until you release it.

Item	Description	Retail
438	Panic Snap Oar Tether	21.95

PANIC SNAP SPARE OAR HOLDER

The Panic Snap Spare Oar Holder securely holds a quickly accessible spare oar to your frame. Release the panic snap to have your spare oar in your hand in seconds! Set of 2 straps.

Item	Description	Retail
C011	Panic Snap Oar Holder	14.95

SPARE OAR STRAPS

Spare oar straps allow, with just one squeeze of the quick-release buckle, release of the oar into your hands! The other end pulls free for immediate use. No parts remain on the oar! Choose Blade Free if you want the handle towards you and the blade free, or Handle Free for the blade towards you and the handle free.

Item	Description	Retail
432	Blade Free Straps	10.95
433	Handle Free Straps	11.95

Handle Free

Blade Free

OAR TETHER SET

CWO

The Oar Tether Set securely tethers your oars to your boat so if they are knocked out of your hand it takes away the worry of possibly losing your oar.

Item	Description	Retail
431	Oar Tether, pair	23.95

ELASTIC SPARE OAR STRAP SET

Securely fasten your spare oar to the rowing frame using our new Elastic Spare Oar Strap set. Each sturdy stretch-nylon strap attaches to the frame with a velcro loop sewn to the inside of the strap. The elastic strap then wraps around both the frame and the oar, for a secure hold. The quick-release buckle fastens over the shaft of the oar. Just release both buckles and the oar is in your hands, ready to use!

Item	Description	Retail
434	Elastic Spare Oar Strap Set	13.95

SPARE PADDLE & OAR HOLDERS

The Spare Paddle & Oar Holders securely holds the all important spare paddle or oar in an out of the way but convenient location. A quick pull on the hook & loop strap and the paddle is free in your hands. Spare Oar Holder is larger than the Spare Paddle Holder.

Item	Description	Retail
435	Spare Paddle Holder	14.95
437	Spare Oar Holder	14.95

E Z PUMP TOP-OFF PUMP

The E Z Pump Top-Off Pump is the only pump you'll take along on river trips. The top-off pump cannot over-inflate a raft. Letting a little air out at launch is no problem with our EZ pump on board. In only a few seconds you can pump the raft back up! A webbing "crown" attached to the pump holds the plunger in place until needed. Also available with a check valve for use on inflatables with military valves.

The E Z Pump Bag is for use with the Top-Off Pump. Made from a urethane coated nylon to protect it from dirt and water. A sewn on piece of webbing with loops makes it easy to strap the bag with pump to a thwart or to otherwise secure it to the boat.

Item	Description	Retail
487	E Z Pump, 3" x 24"	126.95
487/MV	E Z Pump with check valve	149.95
487B	E Z Pump Bag	33.95

E Z PUMP BARREL PUMP

The E Z Barrel Pump has a 4" x 27" pump barrel that pushes three times the volume of the smaller E Z Top-Off Pump. Includes 6' hose and hose strap. Also available with a pump with check valve for use on inflatables with Military Valves.

To use the strap:

- 1) Fasten black strap around pump.
- 2) Roll hose and fasten one side of blue hose strap,
- 3) Fasten opposite blue hose strap,

Item	Description	Retail

PUMP THWART STRAPS

Keep your pump easily accessible when secured with the Pump Thwart Straps. Straps are long enough to hold a 3", 4", or 6" diameter pump.

Item	Description	Retail
488	Pump Straps (pr.)	13.95

LARGE PUMP BAG

CWO

For the millions of these pumps out there (which you all recognize!) we know of no bag available - until now. We saw the need for a bag to protect the pump from dirt and to minimize the exposure to water in the bottom of the raft. Made of 1000D heavy duty nylon fabric with a 1250D Ballistic nylon bottom and a roll-style top for quick and easy access to your pump, this bag fits both the 4" and the 6" pump.

Item	Description	Retail
469	Large Pump Bag	48.95

Handles

UNIVERSAL HANDLE

The universal handle is made of strong 1.5" black polypro webbing that fastens around the seat thwarts in a paddle raft giving paddlers handholds to hang onto and D-rings to attach accessories. When you're out of the water, use the Universal Handle to haul your rolled up raft or even carry a kayak. The strap is 5.5' long with our trademark Triple-X stitching.

Item	Description	Retail
425	Universal Handle	21.95

STIRRUP HANDLE

The Stirrup Handle is only 4" from the handle to the hook. That means you don't have to lift as high to get the raft off the ground and over rocks. The solid pipe shaped handle on this unit makes it the most comfortable style available.

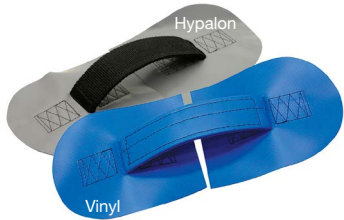

Item	Description	Retail
427	Stirrup Handle 4"	9.95

HYPALON OR VINYL HANDLE

The Hypalon or Vinyl Handles pick up where others have let go! Each Hypalon handle consists of two pieces of 1.5" heavy-duty webbing sewn together to form a single handle. For the vinyl handle, the same heavy-duty webbing handle is also separately wrapped in raft material. This is then sewn together to form the toughest glue-on handle. For both Hypalon and vinyl, the handle is then sewn to the apron, which covers the strap ends. 4.5" by 12" split apron.

Item	Description	Retail
410	Handle w/ Hypalon Apron	17.95
415	Handle w/ Vinyl Apron	13.95

LONG HANDLE

The Long Handle is great when you need a handle with more gripping area. Extra long 13.75" strap consisting of two pieces of 1.5" heavy-duty webbing sewn together to form a single handle. The Hypalon pads are 6.5" ovals.

Item	Description	Retail
418	Long Handle	21.95

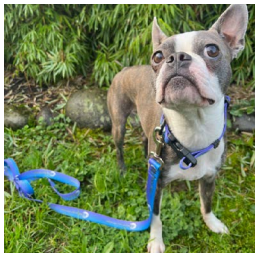

DOG COLLAR & LEASH

CWO

Don't forget Fido when accessorizing your boat. Featuring custom webbing and two sizes of collar and size adjustment. S/M fits neck circumference 13" - 18" and L/XL fits neck circumference 18" - 27". Leash is 6'-2" long.

Item	Description	Retail
305	S/M	10.95
306	L/XL	10.95
BSB001	Leash	5.95

FIDO FLOAT

You simply will not find a better flotation device for canines than ours. Custom designed, with advice from a vet, our swim vests help dogs swim comfortably. In addition to recreational uses, our Fido Floats have also been ordered by veterinarians for use during rehabilitation therapy. To size, measure dog's chest just behind the front legs, and weigh.

- Features include:
- Sternum strap to keep the vest secure
 - 4-buckle adjustment system
 - Large grab-handle
 - Reflective tape for high visibility
 - Box-X stitching on heavyweight poly webbing
 - Stainless steel D-ring for leash attachment
- Large zipper opening (for easy laundering)
 - Minicell foam throughout entire vest
 - Hunter Green or Blue with bright yellow webbing

(Don't leash Spot to the boat, please!)

Canoe & Tie Downs

UPDATED RIVER TOW TETHER FOR RESCUE

*New for 2025 - Locking HMS Carabiner. Prevents accidental deployment and can be used in mechanical advantage system. This River Tow Tether for Rescue PFDs is made for towing paddles and boats. It is designed with heavy weight bungee with two lengths of stretch, 3' or 6' with carabiner and stainless steel welded O-ring ends that allow for easy access, to be attached or unclipped while in your boat.

Item	Description	Retail
852	3'	36.95
853	6'	44.95

PAINTER RETAINER STRAP

The Painter Retainer Strap keeps your canoe painter contained and accessible until you need it. Securely stashes a 12' to 20' rope at the bow and/or stern of your canoe and can be grabbed quickly to tie off to the shore.

Item	Description	Retail
436	Painter Retainer Strap	20.95

CANOE TIE-DOWN KIT

These kits contain everything you need to outfit your canoe. They contain 6 - 1" Tie-Downs, 2 - 1.5" Tie-Downs, adhesive, cleaner, installation & placement instruction sheets and a roller rasp. For use on most synthetic boat materials. As with our Tie-Down D-rings, all Canoe Tie-Down Kits have Stainless Steel D-rings at our old nickel-plated prices!

Deluxe Hypalon Kit is available in all Hypalon colors and contains 6 - 110SS, 2 - 120SS, 1/2 pt. Shore, 1/4 pt. Toluol.

Economy Hypalon Kit is available only in gray and contains 6 - 230SS, and 2 - 250SS, 1/2 pt. Shore, 1/4 pt. Toluol.

Vinyl Kit is available in all vinyl colors and contains 6 - 320SSV, 2 - 340SSV, 2 oz. Vyna-Bond, 1/4 pt. MEK.

Item	Description	Retail
160SS	Deluxe Hypalon Kit	155.95
260SS	Economy Hypalon Kit	94.95
360SS	Vinyl Kit	112.95

POLYPRO TIE-DOWNS

The Polypro Tie-Downs work great for securing air bags, dry bags, camping gear, and other loose items because they're lightweight and inexpensive. They're simply 1" webbing computer-sewn to a 4.5" Hypalon or vinyl pad. Available in gray Hypalon and all vinyl colors.

Item	Description	Retail
210	Hypalon	4.95
310	Vinyl	3.95

ADHESIVES AND CLEANERS

Easy-to-use cements for repairs and Tie-Down installations. You can download Gluing and Installation instructions from our website.

Shore Adhesive and Toluol Cleaner are recommended to attach our Hypalon Deluxe and Economy Tie-Downs safely and securely to all ABS, Hypalon, fiberglass, Kevlar, and aluminum boats.

Urethane Adhesive is recommended to bond Vinyl Tie-Downs to Vinyl & Urethane boats.

SHORE ADHESIVE & TOLUOL CLEANER

We recommend Shore Adhesive and Toluol Cleaner for all of our Hypalon Tie-Downs. Shore is a powerful contact cement, and when used correctly with Toluol Cleaner, will attach our Deluxe and Economy Tie-Downs safely and securely to all ABS, Hypalon, fiberglass, Kevlar, and aluminum boats.

Boat Covers

RAFT STORAGE & TRAVEL COVERS

When it comes to protecting your investment, there is no better value than a Whitewater Designs Raft Cover. Whether you are storing your raft between river trips or traveling to the put-in, this cover will do the job protecting your raft from the sun's harmful effects.

COVERS FOR SELF-BAILING AND STANDARD FLOOR RAFTS

- top-of-the-line 6.5 oz vinyl-coated polyester
 - reinforcement panels for rafts with or without rowing frames
 - bungee cord around the edge ensures a snug fit to the raft
 - tie-down loops around the sides secure the cover to the trailer
 - strap kit consisting of 10 straps
 - complete tie-down instructions
- Inventory is limited, so please place orders at least 4 weeks in advance. How the cover fits depends on factors such as rowing frame, seat height, tube diameter, etc.

1204	Raft Cover (for 17'-19')	789.95
1210	Replacement Strap Kit	30.95

CANOE STORAGE COVERS

The UNDER COVER Canoe Storage Cover is a dependable, effective product. Intended for those who do not transport their canoe frequently or over long distances but who want to protect their canoe from the environment during indoor and outdoor storage. This is the ideal cover for wooden canoes. It has a full length drawstring that can be drawn up at both ends. Available in sizes to fit most canoes from 12 to 20 feet and includes a storage bag.

DuPont Tyvek is a non-woven olefin that is virtually waterproof yet still breathes. It is the only material available for making affordable canoe covers that combines these two characteristics. It will keep out the finest dirt and dust particles to protect the surface of a canoe from scratches and abrasions. Naturally white, DuPont Tyvek will keep the surface of the canoe cool while blocking out 99.8% of the sun's damaging UV.

405	Medium Raft Wrap	123.95
406	Large Raft Wrap	147.95

RAFT CARRY STRAP

The raft carry strap allows you to carry a rolled-up raft easily. It features 12.5' of black polypropylene webbing hot-cut to 45°. The strap is secured with a 1.5" cam buckle. Two large web handles are sewn to the strap, reinforced with our trademark Triple-X stitching pattern.

Item	Description	Retail
426	Raft Carry Strap	18.95

CROSS BAR PADS

Protect your gear with highly-adjustable pads that fit almost any brand and style of crossbars. The high-density foam material protects boats, boards, cargo, and car exterior from damage. The 36" or 30" width fits securely between your towers and will accommodate almost any boat or board out there.

Item	Description	Retail
430	Cross Bar Pads	87.95

BOW AND STERN TIE-DOWN KIT

The Bow and Stern Tie-Down Kit uses hooks and looped straps instead of ropes and knots to secure your boat loads during transport. Includes instructions.

Item	Description	Retail
850	Bow & Stern Tie-Down Kit	27.95

LIFT HARNESSES FOR USE WITH DAVITS

The Lift Harnesses allow you to suspend your boat for storage or placement and removal from boat trailer. Made of heavyweight nylon and stainless steel hardware. Max load 500 lbs.

Item	Description	Retail
Lift Harness for 1-Point Davit System		
LH3	For boats with 3-pick points	98.95

LH1	For boats with 3-pick points	84.95
LH2	For boats with 4-pick points	102.95

HOOD LOOPS

Avoid crawling under your car to find structural tie-down points with these handy Hood Loops. Simply lift the hood, place the rubber handle end inside, and close handle inside. Attach your bow line/stern line to the loop. Affix with screw the grommet loop.

Item	Description	Retail
851	Hood Loop, pair	8.95
854	Universal Hood Loop, pair	11.95

TOW WINCH STRAP & TOW BRIDLE

CWO

Tow Winch Strap: This strap distributes the pull from a winch across three attachment points, reducing concentrated stress and increasing the life of your tie downs. Two locking carabiner clips attach to D-rings on either side of the boat. Run the center strap through a bow or stern tie down, and winch from a heavy duty 2" O-ring. Adjustable to fit any size raft.

Tow Bridle: Whether you are doing the towing or being towed, keep things secure and controlled.

Item	Description	Retail
413	Tow Winch Strap	36.95
AM003	Tow Bridle	39.95
